Impressive south facing beachside villa in an exclusive Marbella community, adjacent to the Hotel Puente Romano and just a stone's throw from the beach. The property is surrounded by mature tropical gardens with a small lake, fountains, large swimming pool and changing rooms. An impressive domed entrance hallway leads to a vast living running the entire width of the property as does the downstairs covered terrace, also on this floor a bar and dining area, modern open-plan kitchen; pantry; laundry room and independent entrance and guest toilets. Upstairs: large private reception area with central fountain leading to the master suite with massage room, sauna and luxurious bathroom; three spacious guest suites; a very large private terrace with sea and mountain views.
