### Energy Efficiency Rating

The graph shows the current energy efficiency of your home.

The higher the rating the lower your fuel bills are likely to be.

The potential rating shows the effect of undertaking the recommendations on page 3.

The average energy efficiency rating for a dwelling in England and Wales is band D (rating 60).

The EPC rating shown here is based on standard assumptions about occupancy and energy use and may not reflect how energy is consumed by individual occupants.

We are Cameron Pearson an estate agency doing business in a refreshing, forward-thinking and efficient manner. We pride ourselves on having the best quality property and providing an unmatched tailored service.
